

Queensland Government Insurance Fund Charter

Ensuring financial Protection that makes Queensland stronger, fairer & safer

Insurance Protection

Claims Management

Insurance & Advice

facilitating the management of whole of Government financial risk through identifying, providing for and funding the State's insurable liabilities

Value Proposition

Government

- Delivery on Government objectives for safe, strong and fair communities;
- Trusted insurance advice;
- Facilitate management and funding of insurance risk including catastrophic exposures.

Agency

- Trusted advice on property and liability risk;
- Insurance and risk support to enable a focus on "core business" and continuity of service
- Broad value-for-money insurance cover at lowest possible cost (i.e. without commercial margins)
- Excellence in client service/responsiveness

Queenslander

- Safe, strong and fair communities;
- Financial protection of (insurable) public assets;
- High public value (cost-benefit)

Staff

- Professional aspiration and challenge;
- Diversity of work;
- Opportunity to innovate;
- Teamwork and collaboration;
- Positive workplace culture and preferred place of employment
